## BLACK LADY SYRAH 2006

### ANALYSIS

pH: 3,68  
Residual Sugar: 2,8 g/l  
Alcohol: 14,6 %vol  
Total Acidity: 5,9 g/l  
Bottling Date: 09/ 2009  
Release date: 10/2009

### VARIETALS:

Syrah 100%

### Winemakers comments:

The grapes were harvested at optimum ripeness and fermented on the skins till dry. After malolactic fermentation in barrels the wine was racked and matured for 28 months in medium toast French Oak – 30% new.

### Winemaking Procedure:

Inky black colour swirls in a pool of radiant rich purple in Warwick's tribute to the dark side. Rich black cherry fruit opens up and reveals cigar box and toasted almond aromas to create an aura of mystery and tantalize the taste buds. This extravagant Syrah will overwhelm now, but we recommend patience. Drink only with your inner circle.

**Serving temperature:** 18-23°C

**Food Suggestions:** Serve with rich oxtail or venison.
