### Tasting Note

The light green color shows the fresh and lively attitude of this wine. The bouquet opens with intense French oak aromas, coconut and untoasted almonds and lanolin. The Chardonnay fruit flavors start to dominate with tones of green apple, lime and orange peel. The palate is full, round and shows a complexity of fruit, well balanced with the supporting oak flavours. The minerality keeps the flavours fresh and ensures a long aftertaste.

Food Suggestion Saffron Risotto, traditional Carbonara

Temperature 6 - 8°C
