Black Lady Pinotage 2023

Wine Of Origin / Varietal
Stellenbosch / 100% Pinotage

In The Glass

Our Black Lady Pinotage was honoured in the ABSA Top 10 Pinotage Awards 2025, a celebration of South Africa's most exceptional expressions of this proudly local varietal. Aromas of black tea, strawberry, and sour cherries are evident on the nose. The palate is bright and fresh, with dark berries, sour plums, and cassis. The tannin structure is finely packed, lending support and elegance to the wine. The finish is soft and smooth with elegant and lingering aftertaste.

Winemaking

Produced from low-yielding bush vines on the Simonsberg mountain. Grapes were hand-picked and sorted in the cellar into stainless steel tanks for fermentation. Pump over every 2 hours for the first 3 days and then pressed early to finish fermentation without skins; this results in a finer tannin structure.

The wine was then transferred to French oak barrels for a 14-month ageing period, with 13% new, before filtration and bottling.

Serving Temperature
16-18 °C

Analysis

Alc: 14%

RS: 2.0

TA: 5.50

PH: 3.57

✓ Vegan
