

WARWICK

Professor Black Sauvignon Blanc 2025

Wine Of Origin / Varietal

Stellenbosch / 100% Sauvignon Blanc

In The Glass

Our Professor Black Sauvignon Blanc 2025 was awarded 95 points in Platter's Wine Guide 2026. The wine has a delightfully expressive nose, with notes of passionfruit, green fig and elderflower. The palate is centered around peach, passion and citrus fruit flavours. Complex and well structured, the medium bodied mouthfeel is supported by fresh acidity.

Winemaking

Each component block was harvested early in the morning, grapes were crushed and skin contact undertaken for up to 12 hours. After a gentle pressing, cold fermentation in stainless steel tanks was undertaken. Lees contact was encouraged which contributes to the weighty and complex mouthfeel.

Serving Temperature

8-12 °C
